ATHLETIC PROGRAM
*changes for 2020-2021 are indicated in red

ARTICLE I – PURPOSE

SECTION 1. The purpose of the athletic program is to help youth grow in the image of Christ through athletic events; to assure its contestants and managers of complete honesty and fair play at all times; to provide proper safeguards for its contestants; and to cultivate the confidence of the general public in the integrity of the contest played under its sponsorship and supervision.

ARTICLE II – EXECUTIVE BOARD

SECTION 1. The Executive Board shall serve as final review and decision in disputes involving CYO athletic programs.

ARTICLE III – PARISH DIRECTOR OF SPORTS MINISTRY

SECTION 1. Each parish shall have a Director of Sports Ministry. The parish Director of Sports Ministry, whether appointed, elected, hired or volunteered, shall be the official parish representative to the CYO.

1. The parish Director of Sports Ministry must be a Christian person of good character who:
2. Has respect for participants under their care as well as respect for other parish Director of Sports Ministry, coaches, participants and officials.
3. Considers participating above winning.
4. Provides leadership and an example of Christian sportsmanship.
5. Any person convicted of, or pleads guilty or nolo contendere (no contest) to, a misdemeanor or felony shall not be permitted to be a parish Director of Sports Ministry unless approved by the CYO Executive Board.

SECTION 2. Directing the parish programs and ensuring that the parish is in compliance with the CYO rules and By-laws is the responsibility of the parish Director of Sports Ministry. The parish, to be considered in good standing, is responsible for compliance with all CYO rules and By-laws.

SECTION 3. The parish Director of Sports Ministry shall be a voting member of the CYO Parish Director of Sports Ministry Organization. A parish, by Executive Board ruling, not in good standing, may have voting privileges suspended. This includes, but is not limited to, not presenting and/or discussing rule change proposals, and not voting for Executive Board Members. Upon their return to good standing voting privileges will be reinstated.
SECTION 4. A parish that is not in good standing may be disqualified as a participating member of the CYO by the Executive Board. A disqualified parish may be reinstated when found to be in compliance with CYO Rules and By-laws.

SECTION 5. The parish Director of Sports Ministry shall attend all Director of Sports Ministry’s meetings as called by the Executive Director. In addition, the parish Director of Sports Ministry is required to complete the initial Play Like a Champion “Sports as Ministry” workshop.

SECTION 6. The parish Director of Sports Ministry coordinates the sports program on the parish level. The parish Director of Sports Ministry shall have the authority to make decisions concerning who will coach and which team the coach is permitted to coach. The parish Director of Sports Ministry needs to secure and be responsible for coaches of the parish teams. The parish Director of Sports Ministry should make necessary coaching changes when the coach’s attitude or actions are not conducive to the CYO philosophy.

SECTION 7. Parents enroll participants in a CYO sports program, not for a specific team. The parish Director of Sports Ministry has the authority to make final decisions concerning participants assigned to teams.

SECTION 8. The parish and parish Director of Sports Ministry shall provide a gymnasium supervisor for all CYO activities contested in their gymnasium. The supervisor shall be at least 21 years of age and have an adequate understanding of CYO rules and expectations. The supervisor will not operate the scoreboard, keep score, work the concessions or take money at the gate (exception if the entire playing floor is visible from the concession area or if the entire playing floor is visible from the table at the gate). The supervisor’s responsibility is to supervise and aid in the administration of the contests played in his or her gymnasium. The lack of an adult supervisor may result in a reduction of games scheduled in that gymnasium.

SECTION 9. The parish Director of Sports Ministry will receive all schedules, schedule changes, and information concerning CYO sports from the CYO office. It is the responsibility of the parish Director of Sports Ministry to inform his/her coaches and managers of schedule changes and communications that concern his/her coaches and managers.

ARTICLE IV – PROGRAMS

SECTION 1. CYO programs consist of leagues in tackle football (boys only), flag football, volleyball (girls only), cross country, basketball, and track & field. Flag football may be offered between kindergarten and 8th grade, tackle football will be offered in 5th through 8th grades only, and all other sports will be offered for 3rd through 8th grade. High school league programs consist of basketball for 9th through 12th grades.

SECTION 2. While a student is a member of a CYO athletic squad he/she may not be a member of another CYO squad in the same sport. A squad is considered one team on one roster. (Exception: football may not participate on an outside team or as individual competitor in the
same sport.)

SECTION 3. The parish must accommodate all students in grades three through eight who register for a program offered by the parish. If a parish does not place all registered participants for a program on one of the parish teams then that parish shall not be permitted to enter any teams in that program in CYO competition.

The 3rd and 4th grade program is primarily for instructional purposes. For all sports outside of football, 4th graders can play at the 5th grade level as needed to field teams. The CYO requires that all parishes with multiple teams in 3rd grade and 4th grade separate those teams as evenly as possible either through evaluation. Independently formed teams are not allowed.

The parish Director of Sports Ministry shall have the authority to place individuals on teams within the parish to maximize the effectiveness of the program to provide a positive athletic experience for the greatest number of participants in that program.

1. All 3rd and 4th grade teams with 6 or 7 players may have players rotate (cannot be the same player every week) between rosters if there are sick or absent players on the team. (This way teams with 10-14 players have an option to split teams and allow the children more playing time in the instructional level).

2. If a parish offers a basketball or volleyball program, then any combination of third through eighth grades participants shall be permitted to be placed on teams to accommodate all registered participants.

3. Scores and standings for the third and fourth grade programs will not be recorded or posted by the CYO.

   b. Hardship letter of request must be submitted by the parent(s) and the specific sports must be identified.
   c. Student’s physical or mental maturity would not take advantage of or jeopardize the health and safety of other participants.
   d. If the Executive Board declares the student eligible, he or she shall be eligible upon notification and ONLY for the sports programs approved.

SECTION 4. All contestants participating in the grade school CYO program must be members of the parish or attend the parish school of the parish they represent.

1. For Territorial Parishes, those residing within the boundaries of the parish.

2. For National Parishes, those of the particular nationality who reside within the diocese and are not subject to boundaries.

3. If a player starts the schedule with a parish team and later moves out of the parish, then he/she may complete the season with the parish provided he/she has played at least three games while still a resident thereof, or he/she may transfer to the team of his/her new parish.

4. If a student(s) and parent(s) are not members of the parish or the student(s) does not attend the parish school but the parent(s) is employed by the parish, the parent(s) may seek a waiver of the parish membership or school attendance requirement by appeal to the Executive Board. The parent(s) must submit in writing the request to the Executive Board. Any student declared eligible shall be considered in attendance of the parish school and/or a member of the parish in which the parent(s) is employed.

5. If a student is not a registered member of the parish or parish school, he or she may still participate in CYO as an “Unaffiliated Participant” provided the following requirements are met:
   a. The child is sponsored by the parish, meaning that he or she is approved by the Pastor and Director of Sports Ministry (Athletic Director) to be placed on a parish team.
   b. The child or parents/guardians must live within the boundaries of the parish sponsoring that child or have an alternate parish approved as part of the application and review process (below).
   c. The child/parents complete the application for unaffiliated participation as provided via hard copy. Application must include signature approval by the Director of Sports Ministry and Pastor of the sponsoring parish. In lieu of Pastor being available for an extended period of time (i.e. vacation or extended trip), an Associate Pastor and Business Administrator may be used.
The application must be approved by the Faith & Spirit Committee of the CYO Executive Board. This approval may be done by electronic means, or the Committee may request an in-person hearing if necessary.

SECTION 5. Any child who otherwise meets all requirements of eligibility but is prohibited from competing due to the failure of his/her parish to field a team must submit his/her name to the CYO office for assignment to another parish team for competition before deadlines for each sport as set forth by the Executive Board and shown on the official CYO calendar. For players affiliated with a parish that do not have a grade level team, the parents must contact CYO to request assignment to another parish. The CYO office will make the determination as to where the player will be assigned.

a. A student assigned to an outside parish for participation is considered a member of that parish only for the activity requested and granted for the remainder of his or her elementary school CYO participation. If the parish in which the student is a member and or attends the parish school provides a team for the student to participate; the student will have a one-time option to remain with the assigned parish or return to the student’s home parish.

Though every attempt will be
made to accommodate these requests, parish and school conflicts will be given priority over those of individual coaches, players or other team requests. Once this deadline has passed, only unforeseen parish or school conflicts that arise will be considered for rescheduling games. Cancellations or schedule changes due to weather will be the only other exception.

SECTION 16. SECTION 4. When a protest is received, the opposing team will be immediately informed and
will have 48 hours in which to submit an answer.

SECTION 5. By the very fact of submitting a protest, the protesting group agrees to abide by the decision of the protest committee.

ARTICLE IX - COACHES

In response to the United States Catholic Conference of Bishops’ Charter to protect children, the Archdioceses of Kansas City in Kansas requires that all adults, both employees and volunteers who work with children must undergo VIRTUS, Protecting God’s Children, awareness training. This includes all coaches, assistant coaches and coaching volunteers at any CYO practice, game or sponsored event. Any game played whose team has any coaches not VIRTUS trained will cause that team to be disqualified from further participation until such time when these requirements are met.

SECTION 1. QUALIFICATIONS: All CYO coaches must be Christian people of good character who: 1) have respect for the participants under their care as well as respect for other coaches, participants and officials; 2) consider participating above winning; 3) provide leadership, and an example of Christian sportsmanship.

SECTION 3. HEAD COACH: The head coach must be an adult at least 21 years of age. The head coach is that person who has the responsibility for the team. The head coach is that person who is present nearly all of the time the team is together. Assistants to the head coach are the head coach’s responsibility and should be secured by the head coach keeping in mind the qualifications for all CYO coaches.

SECTION 4. HEAD COACH MUST ATTEND THE PLAY LIKE A CHAMPION PROGRAM AS REQUIRED BY CYO. All head coaches must complete the Play Like a Champion Today “Sports as Ministry” program in order to coach a CYO team. Head coaches must complete the initial “Sports as Ministry” workshop and complete an “advanced workshop” every two years in order to maintain eligibility. Coaches who do not attend the workshop will not be allowed to coach a CYO sponsored team.

a. FOOTBALL COACHING REQUIREMENT: In addition to Play Like a Champion requirement for head coach, all CYO Tackle and Flag Football coaches, including assistants, are required to complete and maintain a minimum "Level 1 Certification" from USA Football. Level 1 Certification may be attained through a USA Football Coach Membership and completion of the Level 1 Certification requirements.

A member of the coaching staff must notify the scorers prior to the start of the contest of the players unable to
play, unless the reason occurs during the game. The scorers shall record reported players unable to play on the back of the score sheet, noting the time reported. See further details explained within each sport below.

SECTION 6. Any coach who removes his team from competition before the end of the contest is liable to suspension and must appear before the protest committee before the next scheduled contest to show cause. The protest committee will recommend disciplinary action, if any, to be taken to the CYO Executive Board. The CYO Executive Board will make final decisions regarding disciplinary action. If the coach fails to appear, he or she is automatically suspended and cannot coach in the CYO athletic program until he or she is reinstated by the CYO Executive Board. Any contest which involves a suspended coach will result in forfeiture for that team. Any further action, which might result in the suspension of a team, must be taken by the CYO Executive Board.

SECTION 7. It is the coaches’ responsibility to lead or appoint a team member or assistant coach to lead a prayer before each contest that his/her team is listed last on the schedule. At the beckon of the official or officials, coaches of both teams are to bring their entire teams to the side of the field or playing floor where spectators are located. A coach or coaches will ask the crowd to stand and pray along with teams, then commence team prayer. When the prayer is completed, coaches and substitutes will return to their respective sidelines or benches, leaving starting teams with the officials to begin the contest.

SECTION 8. Any coach who does not enforce special CYO rules, which are exceptions to the National Federation of State High School Associations Rules, for his/her team shall be liable to suspension. It is unrealistic to expect officials to know and implement our special rules one hundred percent of the time. Any coach who claims that he/she did not know the rule or misunderstood the rule is liable too.

ARTICLE X – OFFICIALS

SECTION 1. When the contest is about to start, the officials are to beckon both teams with their coaches to the center of the field or court. When the prayer is completed, the coaches and substitutes leave the field or floor and the officials along with the starting teams begin the contest.

SECTION 2. If an official ejects anyone from a game for any reason, the official is required to state the reason for the ejection on the score sheet. The word ejection should be written on the score sheet. The reason should be explained at length, stating the particulars of the incident so appropriate action may be taken to ensure that the incident is not repeated in the future. The CYO director should be notified by email at admin@cyojwa.org as soon as possible after the conclusion of the contest. All Officials of the contest shall submit a written statement by email of their observation of the action that preceded the ejection and any actions that followed the ejection to the CYO director within 48 hours of the conclusion of the contest.
SECTION 3. PROTEST: Officials are required to give the coach protesting the contest the time necessary to write the reason for the protest on the front of the score sheet. The official shall read the statement and shall sign below the coaches’ signature indicating that you are aware of the reason for the protest. To assist with the process we ask that the protesting coach also sends an email to CYO at admin@cyojwa.org.

TACKLE FOOTBALL

The National Federation of State High School Associations’ Rules will be used to govern play. The following exceptions have been approved by the CYO:

2. Prior to the first game, each team will submit an official roster to the CYO Office that contains each player’s name, jersey number, and official weight, with an “X” clearly marked next to any player exceeding the weight limit. A copy of this exact roster must be exchanged prior to each game by opposing head coaches and submitted with the play count sheets and score sheets following each game. Any changes made from the original roster should be clearly noted with the reason for that change listed next on the roster.

3. LENGTH OF GAME: The game shall be divided into four quarters. For 7th and 8th grades, each game will consist of 10-minute quarters using a field clock for all games. For 5th and 6th grades, each quarter will consist of eighteen (18) plays from scrimmage. A play shall be counted each time the ball is snapped from center from scrimmage; exclusive of kickoffs (including a free kick following a safety); and a try for extra point following a touchdown. The snap of the ball on the last play of the quarter equals time expired. For all grades, teams will have a 30 second play-clock, a 1-minute break between quarters, and a 10 minute half time including a 3 minute warmup.

4. GAME RECORD KEEPING 5th-6th grade - Qualified persons (one from each team) working in unison, shall perform the following duties:

Students in fifth/sixth and seventh/eighth will start at the same time within their gender group. Ribbons shall be awarded for top 10 places of each group for fifth through eighth grades.

3. CITY MEET CHAMPIONSHIP: Students must have competed in at least one of the three previous meets to be eligible to compete in the city meet. Parishes will be divided into classes “A”, “AA” and “AAA” based on parish participation in grades five through eight. Once a designation is defined for a parish team, it cannot be changed. All parishes will run at the same meet, with start times divided the same as earlier meets and results separated by class. Ribbons will be awarded for top 10 finishers of each gender, with trophies awarded to parish (team) for top three places of each gender in combined grades fifth/sixth and seventh/eighth. Four places from each team will score points toward team results in all classes. If at least three full teams are not available by scoring four places, three places shall be scored. If three full teams are not available by scoring three places, then two places shall be scored. The Cross Country City Meet will occur on the 7th week of the Fall seasons, so as not to conflict with the championship contests of other sports the following weekend.

**CYO FLAG FOOTBALL**

The following rules shall govern the CYO Flag Football program.

1. ELIGIBILITY: All boys entering Kindergarten through 8th Grade and eligible for CYO participation may participate in grade school league.

2. LEAGUE FORMATION: Leagues will be formed by CYO office based upon teams registered for play. Leagues may be formed by single grade or by combining grades in both grade school. Only children in at least 4th grade may play “up” on 5th grade teams. To be determined prior to the season.

3. FIELD SIZE: Games shall be played on fields deemed appropriate and scheduled by CYO. Standard field size shall be 50 yards in length by 40 yards in width, with some fields varying based on age and existing dimensions. End zones shall be at least 8 yards in length on either side. The following additional rules apply to the field of play:
   a. The area marked 5 yards out from each end zone shall be considered the “No Running Zone” and no running plays shall be executed by either team within this zone.
   b. There shall be two lines marked at 18 yards out from each end zone (or adjusted for scale of field) that shall be considered “First Down” lines. See rules for completing first down.

4. UNIFORMS: The official uniform for teams shall be provided by the team’s sponsoring parish. It shall consist of shorts/pants and a t-shirt or jersey top; flag football uniforms must meet all other CYO uniform guidelines regarding design and modesty. Shirts must be tucked in to shorts/pants at all times during competition.
   a. Flags shall be provided by league for all contests. Players must wear flags as instructed, with belt properly fastened and flags clearly visible over child’s uniform. Teams may wear their own (CYO approved flags if the flags provided by the CYO are inadequate or insufficient.)
b. OFFICIAL BALL used for all CYO Football games will be provided by CYO. Third and fourth grades use the Pee-Wee ball, Fifth and sixth grades use the Junior ball; seventh and eighth grades use the Youth ball.

c. Shoes are required for participation. Cleats are allowed and must meet standard CYO requirements. Only football shoes with molded non-removable cleats or screw-in male plastic cleats without metal ends will be allowed. To be legal, cleats must not exceed ½ inch in length and must be made of rubber type synthetic materials that are not abrasive and do not develop a deep, cutting edge.

d. Players must remove all jewelry, including watches, earrings, or anything else deemed hazardous by CYO Officials or Administration. Soft braces are allowed provided child has been cleared to participate with brace by a physician. Sleeves and tights must be white, black, beige or the predominant color of the player’s uniform. Headbands, armbands and wristbands may also be worn provided they are white, black, beige or the predominant color of the player’s uniform. If multiple players on the same team are wearing accessories they must all be the same color. Tape is allowed on the arm, fingers or ankles. Players may wear gloves and/or (soft) knee or elbow pads.

e. Mouth guards are required for each player participating. These must be appropriate size and fit. Mouth guards must be plain; colors are allowed but there may be no logo, image or writing visible on the mouth guard at any time.

5. An adult supervisor shall be appointed by CYO and be present at each facility during games. The supervisor shall be the sole representative of the CYO Office and shall have final say in all decisions or disagreements before, during or after competition.

6. The head coach and a player from each team shall meet at midfield prior to each game for the coin toss. The team listed on the schedule as “visiting team” shall call the toss prior to the coin flip. Team winning the toss will receive the ball first with opposing team receiving ball first after halftime. Officials may address any special facility rules or appropriate game notifications at this time.

7. Each team shall have seven (7) players on the field of play at one time. Teams may begin play with no less than five (5) players. Game time is considered forfeit time in all contests.

8. The game shall be played using the following rules and guidelines:
   a. Teams shall start each possession at their offense’s own 5-yard line, with the exception that following interceptions teams shall take over at the spot where the player was ruled down. A player who intercepts the ball shall be allowed to return the interception and he shall be considered live until his flag is pulled, he scores a touchdown, or he is otherwise ruled down by the official.
   b. Play will begin with the “center” snapping the ball to the “quarterback”. The offensive team must have at least one player on the line of scrimmage at the snap on each play, with up to four players allowed on the line of scrimmage. The center must snap the ball through his legs and the ball must completely leave his hands.
   c. Teams on offense shall have three downs to reach a first down marker or score a touchdown. First down markers shall be placed at approximately 18 yards out from each end zone, so that a team beginning on its own 5-yard line may get two first downs before
scoring a touchdown. When a team reaches or passes the first down marker their downs shall “reset” and they shall have three more downs to reach the other first down marker or the end zone.

d. There shall be no punting or kicking in the game. Teams not reaching a first down marker in three attempts shall turn the ball over to the other team, who shall begin possession from their own 5-yard line.

e. The ball is considered a live ball when snapped and remains so until the ball carrier’s flag has been pulled or the ball hits the ground and the official whistles the ball dead. A player who catches the ball in the air is considered in-bounds if one foot touches in the field of play prior to the remainder of his body landing.

f. There are no fumbles in the game. All “fumbles” shall be considered a dead-ball where the ball hit the ground and the offensive team shall retain possession. A fumble does not result in a turnover to the other team. A dropped exchange from the center to the quarterback (either direct snap or in shotgun) shall be considered a fumble.

g. Any ball carrier whose flags fall off during the play, even accidental without a defensive play on the flags, shall be considered down at that spot.

h. Each touchdown is worth six points. The team shall then have one attempt from the 5-yard line to reach the end zone worth another two points. The “No Running Zone” is not in affect during the two-point conversion attempt and teams may pass or run. Regardless of the play’s success, the opposing team shall start with ball at it’s own offensive 5 yard line following the two point conversion. An interception off a two point conversion may not be returned and the play will be considered dead upon the defensive player taking possession.

i. A touchdown, two-point conversion, and safety shall be the only scoring plays in the game. A safety is called when an offensive player is called down in his own end zone.

j. All players on the field shall be considered eligible to throw, run or catch the ball on each play.

k. Substitutions may be allowed on any dead ball.

l. Blocking or screening of any kind is not allowed. An offensive player may not impede a defensive player’s path to the ball carrier, including when the defensive player is rushing the passer from a legal rushing position. Once the ball carrier crosses the line of scrimmage or receives a pass, all other offensive players should cease moving to avoid penalty.

m. The quarterback may not run directly with the ball from the snap. He may handoff or lateral/pitch the ball to another player, as well as scramble behind the line of scrimmage, but cannot run directly. A player who takes a handoff or lateral behind the line of scrimmage may throw the ball. No handoffs or laterals are allowed once the ball carrier passes the line of scrimmage.

n. One defensive player may rush the passer provided he begins the play at least 7 yards from the line of scrimmage on the defensive side of the ball. Any player beginning the play within 7 yards is not eligible to rush the passer. Once the quarterback has completed a handoff or lateral/pitch, all defensive players are eligible to cross the line of scrimmage. A player crossing the line of scrimmage may attempt to block a pass by jumping but may not come into contact with the passer at any time (results in Roughing the Passer penalty). A ball batted down will be considered a dead ball at that spot and remain with the offensive team provided it is not fourth down, regardless of whether it is a forward pass or pitch/lateral.
Flag Guarding is considered an attempt by the ball carrier to impede the defensive players’ attempt to pull his flag. A ball carrier may not impede the defensive players’ attempt to pull his flag at any time through the use of hands, uniform or any other method of “guarding” the flags. However, the offensive player may spin and/or move laterally from left to right to avoid the flag pull, provided that they do not guard the flag in any other way. An offensive player may only leave his feet if it is clearly an attempt to avoid a collision without receiving a penalty, though he will be declared down at that spot.

Only one player is allowed “in-motion” at a time and all motion must be lateral to the line of scrimmage and not moving toward the line of scrimmage.

Defenders may not tackle, hold, or dive at the ball carrier in anyway while trying to grab a flag.

Clock - Games are played with a 44-minute running clock and shall be split into two 22-minute halves. Halftime is 6-minutes. The official game clock shall be kept by the official(s). The clock shall only stop for timeouts, though the official(s) may stop the clock at any time at their discretion, including for injuries.

- Each team shall have one 1-minute timeout per half, for a total of two timeouts per game. Timeouts do not carry over to the second half if not used in the first half.
- If the game ends in a tie, no overtime period shall be played.
- Each team shall have 30 seconds from the end of the previous play to run a new play. Time shall be kept by the official and failure to run play shall result in “delay of game” penalty.

When a team is winning by 35 points or more in the second half, the trailing team is provided one more opportunity to score in order to continue regulation play. If the team does not succeed in scoring, the game is considered over at that point and scoring stopped at that time. However, if more than 10 minutes remains in regulation time at the point in which the game is stopped, the trailing team may have up to two consecutive offensive possessions as time allows in order to attempt to score. Each possession will last until the team scores, fails to reach a first down, or turns over the ball. Points are not counted toward the final score. The game shall end regardless when full time has been reached.

Penalties and Yardage. Officials shall be the only individuals who may call penalties during the game. Their ruling is considered final and may not be argued or reviewed. Coaches arguing penalties may be given an unsportsmanlike conduct penalty.

- False Start results in a loss of five yards from the line of scrimmage.
- Defensive Offside shall be called when any defensive player crosses the line of scrimmage at any time prior to the snap of the ball. The play shall be whistled dead at the time of the penalty and the penalty shall be five yards forward from the line of scrimmage.
- Offensive Pass Interference results in a loss of five yards from the line of scrimmage and a loss of down.
- Defensive Pass Interference results in the ball being placed at the spot of the foul and an automatic first down being given to the offensive team.
- Illegal Motion is called when more than one person is moving prior to the snap on the offensive side of the ball. Results in a loss of five yards.
f. Illegal Blocking shall be called on any offensive player impeding a defensive player’s attempt at the ball carrier, either while rushing or pursuing a player beyond the line of scrimmage. The result shall be a loss of five yards and loss of down.

g. Flag guarding shall result in a loss of five yards from the spot of the foul and a loss of down.

h. Unsportsmanlike Conduct shall be called in the event of any unnecessary roughness or inappropriate behavior on behalf of players, coaches or fans. Any penalty called on coaches or fans shall be assessed to the team they represent. The penalty shall be a loss of ten yards from the spot of the foul and a loss of down. Two unsportsmanlike conduct penalties on any individual will result in ejection from the contest and an automatic suspension from the next game (see General Rules of Competition).

i. An Illegal Rush shall be called on any player who rushes from a starting point within 7 yards of the line of scrimmage. The penalty moves the offensive team five yards forward from the line of scrimmage.

j. Holding shall be called on any defensive player who holds an offensive player. The penalty shall be five yards from the end of the play and an automatic first down.

k. Roughing the Passer shall be called if contact is made with the quarterback in any way by the defensive player other than in pulling the quarterback’s flag while he has the ball. The penalty shall be ten yards from the end of the play and an automatic first down.

l. An Illegal Flag Pull shall be called on any defensive player who pulls a player’s flags before he receives the ball either through a pass or running play. This shall also be called on any defensive player who dives at the ball carrier in attempt to grab flags. Only the ball carrier may have his flags pulled during a play. An illegal flag pull results in a 10-yard penalty and automatic first down for the offensive team.

m. In the event the defensive player did not make a play on the flags of an offensive player yet the flags fall off, an official may deem an illegal flag pull “inadvertent” at his discretion and may choose not to assess a penalty. Any receiver or ball carrier whose flags fall off “inadvertently” will be considered down at that spot. A receiver may catch the ball after his flags have fallen off but will be considered down immediately following the catch.

12. During Flag Football games, one coach from each team will be allowed on the field during play. This coach may instruct the participants on his or her team but may not interfere with play.
